### EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Madsen on 8/11/06.

2. The application has been amended as follows:

Claims 33-42: cancelled.

Claim 43, line 21: --at said press nip-- was inserted after "simultaneously".

3. The following is an examiner's statement of **reasons for allowance**:

With respect to claim 1, the prior art fails to teach or suggest a method for producing a multi-ply web of flexible material wherein a glue pattern is transferred to the first web in a pattern corresponding to the configuration of protuberances on a glue transfer roll and a *colored* printing pattern is printed on the first web by a printing roll before the first web is laminated to the second web, *wherein the printed pattern is printed on an inner side of the first web facing the second web, and wherein the printing is performed in register with the glue transfer and the printing and glue transferring are separate and distinct steps effectuated by separate structures.*

With respect to claim 43, the prior art fails to teach or suggest a method for producing a multi-ply web of flexible material wherein the colorant is printed in a select pattern on the outside of the second web *at the press nip* where the first and second webs are *laminated* and *simultaneously* with the *laminating step*.
